Black authority mandate (ic3csi):

IC3CSI (IC3 Crime Scene Investigators) is a Black-led investigatory and documentation body focused on the safety, dignity and reparatory justice of IC3 Black and IC6 Mixed-Black people. We assert a Black authority mandate to scrutinise, question and challenge any past, present or planned activities and decisions that affect IC3 Black and IC6 Mixed-Black people, and to raise concerns and proposals through lawful written channels.

Communication policy (ic3csi):

ic3csi representatives will not voluntarily meet police officers, or any other entities suspected of anti-Black racism, face-to-face. All communications must be in writing (email or post) for transparency and evidential record-keeping. This policy reflects our role representing IC3 Black and IC6 Mixed-Black people and ongoing concerns about anti-Black racism and institutional racism. If officers or other parties approach us in person unprompted, that is a different matter.
