Dear Mr Curry,

RE: FORMAL RESPONSE TO YOUR EMAIL OF 11 NOVEMBER 2026 — REQUEST FOR INCLUSION ON THE OFFICIAL COURT RECORD

Thank you for your email dated 11 November 2026 concerning my correspondence of 28 October and 2 November 2026.

Please find attached my **29-page document entitled "FORMAL RESPONSE FOR THE COURT RECORD", dated 11 November 2026**, comprising five substantive sections.

The document addresses my outstanding safeguarding questions, the judicial direction that two not-guilty pleas be entered on my behalf on 15 October 2026, prosecution conduct and disclosure, hearing-date discrepancies, my continuing attempts to obtain legal representation, and the procedural deadlines affecting my defence.

I acknowledge the court's statement that HHJ Deacon KC explained why she considered that pleas could be taken and that she will not engage in further correspondence concerning that hearing.

However, I require the official record to distinguish between procedural explanations, personal assurances, documentary evidence and questions that remain unanswered.

I am an IC3 Black defendant. I **"strongly suspect" bias**. I have not concluded that bias has been established.

I continue to require documented and verifiable safeguards against anti-Black racism and Institutional Racism in the relevant decision-making processes.

My position remains:

"No accusations, no allegations, no assumptions, no assertions, and I have come to no conclusions."

I request that neither my strong suspicion nor my outstanding questions be diluted, misrepresented or converted into findings that I have not made.

I particularly draw attention to the following urgent matters:

1. The prosecution disclosure deadline of **4 November 2026**, and my correspondence dated 5 November 2026 reporting apparent non-receipt of the required material.

2. My continuing lack of legal representation despite documented efforts to obtain assistance.

3. The defence statement deadline of **2 December 2026**.

4. The next hearing identified as **18 December 2026**, which falls after the defence statement deadline.

5. The need to identify the appropriate procedure for obtaining judicial consideration of any urgent outstanding matter before 2 December 2026.

I respectfully request written confirmation that:

- The complete attached document has been received and uploaded to the Digital Case System under case reference 01GD1160226.

- My correspondence dated 5 November 2026 has been received, uploaded and appropriately referred.

- The current operative disclosure and defence statement deadlines are confirmed.

- The current hearing and trial dates are confirmed from the court record.

- The appropriate procedure for seeking urgent judicial consideration or additional time before 2 December 2026 is identified.

- This correspondence and attachment have been brought to the attention of the appropriate court officer or judicial authority, insofar as procedurally appropriate.

The Crown Prosecution Service is copied because the attachment includes questions concerning prosecution disclosure, evidence handling and compliance with judicial directions.

I require the document to be preserved accurately for my defence and for future lawful examination by my family, friends, community and any legal representatives.

I recognise that this correspondence does not itself constitute a granted extension of time or suspend any existing judicial direction.

Please acknowledge receipt and confirm the actions taken.

Yours faithfully,

Derrick Emmanuel Lynch
