Subject: London Launch of the Global Reparation Hub (GRH)

Greetings brothers and sisters

Just seen this on Eventbrite this evening, and request that you all please try and attend the launch for the "Global Reparation Hub", because you all are as informed as I am about the Reparation Campaign in London, and beyond.

Frankly, to have the launch of the "Global Reparation Hub" on the same day, and then directly after the Reparation Conference, on Saturday 17 October 2026, does not seem like a sensible idea, especially given that the Black Cultural Centre, in Islington, is such a tiny venue.

The idea of a "Global Reparation Hub", was discussed by who exactly? Was anyone else aware of the GRH, prior to the advertised launch event?

Given the pressure exerted by the annual Reparation March in Brixton, were any of the 1 Mosiah (Mosiah) Reparation organisers informed about the 17.10.2026, GRH launch date?

Please share this information widely with family, friends and community groups.

Asante sana.
