**Subject: Request to Forward Message to Cecil**

Dear John,

I hope you are well. I am writing to ask if you would kindly forward my attached message to Cecil.

Given the sensitivities involved, I believe it is important that he receives my position directly from you, rather than interpreting it through a political frame. My work is strictly legal, evidential and procedural; it is not political, and I do not wish for my expertise to be drawn into political disagreements or identity-based disputes.

My intention is simply to clarify my role, my methodology, and the boundaries of my involvement. I would appreciate your assistance in ensuring that this is communicated accurately and without escalation.

Thank you for your continued professionalism and clarity.

Best regards,  
**George**
