Dear Sir or Madam,

FAO: The Judge dealing with Case Reference 01GD1160226 / General Office / Transcript Request

Please find attached my **URGENT — FORMAL REQUEST FOR TRANSCRIPT OF WHOLE HEARING ON 16 SEPTEMBER 2026 CONDUCTED IN MY ABSENCE.**

I am requesting the **complete transcript of the whole hearing concerning Case Reference 01GD1160226 which apparently took place at Wood Green Crown Court at approximately 10:00 a.m. today, 16 September 2026, in my absence.**

I require the complete official record rather than a summary because I was not present and therefore cannot personally establish everything that was said, what representations were made, or what orders, directions or decisions may have resulted.

This request is **separate from and additional to** my existing request for the transcript of the whole hearing of **26 August 2026**, which remains outstanding. I require **both transcripts**.

My legal observer, **George T. Nomen**, intends to prepare his own report concerning his attendance at Court today after obtaining or considering the official transcript. His report and the official transcript are separate records. I require the official transcript independently so that nobody has to rely solely upon memory, inference or assumption concerning what was said.

As this request is being made on the **same day as the hearing**, I also respectfully request preservation of the official audio recording and associated recording information pending transcription.

If I am required to complete a further **EX107 or other transcript request form**, please tell me immediately and provide the necessary instructions. I also request confirmation of any judicial approval required, the applicable transcription provider, costs and the earliest available delivery date.

Please:

1. Acknowledge receipt of this email and attachment in writing.
2. Place the attached request on the official Court file.
3. Bring it urgently to the attention of the Judge dealing with my case.
4. Confirm the procedure for obtaining the complete transcript.
5. Preserve the relevant recording pending transcription.

For the avoidance of doubt, I make no accusations, no allegations, no assumptions, no assertions and I have reached no conclusions concerning what occurred during the hearing in my absence. That is precisely why I require the official record.

I would be grateful for an **urgent written response**.

Yours faithfully,

Derrick Lynch

Dear Derrick,

Our Reference: 1742056

I am sure the court may have already got back to you with regards to this already, but just to check: have you filed an EX107 with them for sign off, and if so, could we have a copy please? We haven't received anything from them as of yet.

Kind Regards
Rosie
