RE: R v DERRICK LYNCH**CASE REFERENCE: 01GD1160226****THREE OUTSTANDING COURT TRANSCRIPTS — 26 AUGUST, 16 SEPTEMBER AND 24 SEPTEMBER 2026****FORMAL REPORT, COMPLAINT, PRESERVATION OF EVIDENCE AND URGENT REQUEST FOR ACTION****NEXT HEARING: 15 OCTOBER 2026**

Dear Sir or Madam,

Please find enclosed my **Formal Report and Notice of Serious Concerns** concerning the handling and present status of the official transcripts required in the above criminal proceedings.

The report concerns the complete transcripts of the hearings held on:

26 August 2026;
16 September 2026; and
24 September 2026.

My next hearing at Wood Green Crown Court is listed for **15 October 2026**.

The immediate priority is to establish precisely where each transcript is in the process, what remains outstanding, who is responsible for the next action, and the earliest date upon which each complete transcript can be supplied.

I require sufficient time **after receipt** to read and examine the transcripts, prepare for the next hearing, and provide them to any legal representative who may agree to assist me.

SERIOUS PERSONAL CONTEXT

I am a **Black person**.

I have heard and read reports concerning Black people who have died in police custody or following police contact. Those reports have caused me personally to fear racism, discriminatory treatment and death when dealing with the criminal justice system.

I record this as my genuine personal fear and as an explanation of why the accuracy, preservation and accessibility of the official record of these proceedings are exceptionally important to me.

I am **not** asserting through this statement that racism has been established against any particular individual or organisation, nor that any particular person intends to cause me harm.

I require evidence concerning what safeguards against anti-Black racism and Institutional Racism exist within relevant decision-making processes, whether those safeguards applied to decisions affecting me, and whether they were actually applied.

PURPOSE OF THE ENCLOSED REPORT

The report requires both **Wood Green Crown Court/HMCTS and Acolad** to establish their respective parts of the documentary and administrative record.

The questions contained within it are **not rhetorical**.

I require specific questions to be answered individually. Where a question is capable of a **YES or NO** answer, that answer should be provided first.

Where an answer is not known, has not been verified, cannot be provided, will not be provided, or should not be provided, I require that position and the reason to be stated expressly for the record.

I require **evidence rather than assurances**.

URGENT ACTION REQUIRED

I request immediate written confirmation, separately for each of the three hearings, of:

1. Whether the transcript request has been received.
2. Whether the necessary Court authorisation has been completed.
3. Whether Acolad has received the authorisation.
4. Whether the official recording has been supplied to Acolad.
5. Whether anything remains outstanding from me.
6. Whether anything remains outstanding from the Court/HMCTS.
7. Whether anything remains outstanding from Acolad.
8. The fastest available transcription service.
9. The amount I am required to pay.
10. The earliest realistic delivery date.

The wider investigation and complaint should proceed separately and **must not delay production of the transcripts**.

REQUEST TO THE COURT

I respectfully request that this report and the current transcript position be brought to the attention of **HHJ Deacon KC** or the Judge presently responsible for Case Reference **01GD1160226**.

If the three transcripts cannot be supplied with sufficient time for me to use them before **15 October 2026**, I require the Court to be informed so that the Court can determine what case-management action, if any, is appropriate.

PRESERVATION OF EVIDENCE

I also request preservation of the relevant records identified within the enclosed report, including the original Court recordings of all three hearings and the documentary records concerning the requests, authorisations, communications and processing of the transcripts.

This preservation request should not be interpreted as asserting an automatic entitlement to disclosure of every category of internal material identified in the report.

FORMAL COMPLAINT

The enclosed document should also be treated as a **formal complaint and request for investigation** insofar as it concerns matters falling within the responsibility of the respective recipients.

I am considering possible further action, including possible civil proceedings concerning Acolad, after the documentary evidence and substantive responses have been examined.

No final determination concerning liability, cause of action, damages or responsibility has been made.

ACKNOWLEDGEMENT REQUIRED

Please acknowledge receipt in writing and provide:

the date received;
the person or department responsible;
the reference allocated to this matter;
whether it has been registered as a formal complaint where applicable; and
the expected date of the substantive response.

All communications should be **in writing** so that a complete and accurate record can be maintained.

My immediate objective remains obtaining the three complete official transcripts with sufficient time to use them properly before the next Crown Court hearing.

Yours faithfully,

Derrick Emmanuel Lynch
