SUBJECT: URGENT — FORMAL COMPLAINT — TWO COURT ATTENDANCE NOTIFICATION FAILURES — RISK OF DEFENDANT BEING TREATED AS ABSENT — EVIDENCE PRESERVATION — CASE 01GD1160226

Dear Court Manager, Tracey Grant / Sir or Madam,

Re: Derrick Emmanuel Lynch, also known as John Canoe

Case Reference: 01GD1160226

Wood Green Crown Court

Please find attached my formal document entitled:

FORMAL COMPLAINT, REQUEST FOR URGENT INVESTIGATION, RECTIFICATION OF COURT RECORD, IDENTIFICATION OF RESPONSIBLE PERSONS, PRESERVATION OF EVIDENCE AND EXPLANATION OF SAFEGUARDS — TWO SEPARATE FAILURES CONCERNING NOTIFICATION OF MY REQUIRED COURT ATTENDANCE — RISK OF AN ATTENDING DEFENDANT BEING TREATED AS ABSENT

I request that this document is placed on the appropriate administrative record and treated as a **formal complaint and urgent evidence-preservation notice**.

The matter is serious because I am a defendant on bail and the Court's documentation expressly requires me to attend court when and where required. Accurate communication of the date, time and place of attendance is therefore capable of affecting my compliance with bail requirements and my liberty. The attached document explains this concern in detail.

On **24 September 2026**, I attended Wood Green Crown Court in accordance with the official Notice of Grant of Bail directing me to attend at **10:00 in Courtroom 01**. I waited outside Court 1. The stated

hearing time passed. Nobody came to inform me that the arrangements had changed. I subsequently approached security myself, after which I discovered that the hearing had been moved to **Court 8**.

I insisted upon obtaining documentary evidence of that change and ultimately obtained official court material bearing the **Wood Green Crown Court stamp dated 24 September 2026** and the handwritten notation "**11am Ct 8.**"

This follows the earlier incident in which I did not receive the relevant hearing notification by post. I am therefore asking HMCTS to investigate the two incidents together rather than treating them automatically as unrelated events.

I want to emphasise the seriousness of the potential consequences. I am **not asserting that a warrant definitely would have been issued**. My concern is whether failures in the Court's own notification and communication arrangements could have resulted in me being wrongly regarded as absent when I was actually inside the court building waiting at the courtroom identified in the Court's written notice.

Following today's hearing, because of these experiences, I remained at the Court and insisted upon receiving a hard-copy official record of my next hearing before leaving. I ultimately obtained the Notice of Grant of Bail dated **24 September 2026**, confirming my next hearing as:

15 October 2026 at 10:00
Courtroom 01
Wood Green Crown Court
Woodall House
Lordship Lane
Wood Green
London N22 5LF

FEAR OF RACISM AND DEATH

The attached document also explains why I use the heading "**FEAR OF RACISM AND DEATH.**"

I am a Black person and a Black defendant. My awareness of deaths of Black people in police custody and other circumstances involving state authorities forms part of the context in which I assess matters concerning my own safety, liberty and treatment within the criminal justice system.

For absolute clarity, I am **not alleging that anybody at Wood Green Crown Court, HMCTS, the Metropolitan Police, the Crown Prosecution Service, court security or elsewhere intends to kill me, physically harm me or deliberately arrange for harm to come to me**. I make no such accusation, allegation, assertion or assumption and have reached no such conclusion.

My position is that the **accumulation of unexplained problems gives me reason to be concerned and suspicious and therefore to seek clarification, preservation of evidence and documentary answers before reaching any conclusion**.

Concern is not proof. Suspicion is not proof. Fear is not proof.

I do not presently know whether these events resulted from human error, administrative failure, inadequate procedures, systemic problems, discriminatory processes, anti-Black racism, Institutional Racism, some combination of factors, or something entirely different. That uncertainty is precisely why I require clarification and evidence.

Because I am a Black person, I also require a substantive answer concerning what safeguards against **anti-Black racism and Institutional Racism** exist within the relevant administrative and court-management decision-making processes, whether those safeguards were engaged in relation to these incidents, and how their operation can be evidenced.

I am not asserting that race caused either incident.

URGENT PRESERVATION OF EVIDENCE

Please ensure immediately that potentially relevant evidence is preserved, including CCTV, security and entry records, original and amended court lists, electronic listing records and audit trails, usher records, attendance records, hearing logs, internal emails/messages, communications between court staff and security, records concerning any consideration of my absence or attendance, records concerning any consideration of a warrant or breach of bail, and records concerning the earlier hearing notification and its dispatch. The full preservation request appears in the attached document.

I also require written confirmation that the official record shows that I **attended Wood Green Crown Court on 24 September 2026 as required**, and that no adverse attendance or bail record has been created against me as a consequence of the Court 1/Court 8 issue.

Every question contained in the attached document is substantive and **not rhetorical**. Where a question can be answered **YES or NO**, please provide YES or NO first, followed by the explanation and supporting evidence.

If HMCTS cannot answer, will not answer, considers that it should not answer, does not hold the information, or relies upon another reason for not answering any particular question, please identify that question and state the reason expressly for the record.

Please confirm by return email:

1. receipt of this email and attached document;
2. that the document has been associated with **Case Reference 01GD1160226**;
3. the complaint/reference number allocated;
4. that the evidence-preservation request has been actioned;
5. that relevant CCTV and electronic records have been secured against routine deletion or overwriting;
6. the name, position and department of the person responsible for investigating and responding;
7. the applicable response timescale and expected response date;
8. that my attendance on 24 September 2026 is correctly recorded;
9. that no adverse attendance or bail record has arisen from the Court 1/Court 8 issue; and
10. confirmation of my next hearing on **15 October 2026 at 10:00**, together with the procedure by which I will be informed in writing if the courtroom or other attendance arrangements change.

Please communicate with me **in writing**.

Yours faithfully,

Derrick Emmanuel Lynch
