

AFRICAN REPARATIONS MOVEMENT (ARM)

Global White Paper Series

White Paper No. 011

ROADMAP

A Phased Plan for Building the African Reparations Movement

Purpose

This roadmap outlines a phased approach for developing the African Reparations Movement and the Reparations Infrastructure Platform.

Phase 1

Launch the public petition, publish the White Paper Series and build international awareness.

Phase 2

Relaunch ARM, establish governance arrangements and invite supporters to become members through a separate process.

Phase 3

Develop the Reparations Infrastructure Platform, research programmes and educational resources.

Phase 4

Work towards establishing the Bernie Grant Arts Centre as an International Centre for Reparatory Justice.

Phase 5

Expand international partnerships, technology, research and global participation.
