

AFRICAN REPARATIONS MOVEMENT (ARM)

Global White Paper Series

White Paper No. 013

INTERNATIONAL PARTNERSHIPS

Working Together for Reparatory Justice

Purpose

This paper outlines the importance of partnerships between governments, universities, community organisations, museums, archives, researchers and international bodies.

Approach

ARM seeks to cooperate with existing organisations while respecting their independence and expertise.

Objectives

Encourage research, education, conferences, technology sharing and collaborative projects.

Conclusion

Lasting progress is strengthened through international cooperation and mutual respect.
