

AFRICAN REPARATIONS MOVEMENT (ARM)

Global White Paper Series

White Paper No. 014

RESEARCH AND EDUCATION STRATEGY

Knowledge as the Foundation for Reparatory Justice

Purpose

This paper describes the role of research and education in supporting informed discussion and practical action.

Research

Support historical, legal, economic and social research relating to reparatory justice.

Education

Develop educational resources, lectures, publications and digital learning materials.

Conclusion

Knowledge and education provide the foundation for sustainable institutional development.
